Penalty for failing to obtain a permit prior to start of construction:

For State Registered Contractor's and Building Owners—the fee for failing to obtain a permit prior to starting construction is \$300.00. The fee for the second offense is \$600.00. The fee for the third offense or more is \$1,200.00.

Permit fees for commercial and industrial projects costing \$1,000,000.00 or more may be reduced to more accurately reflect the cost of town services. The fees for all municipal and governmental projects may be reduced or waived to more accurately reflect the cost of town services and the cost to taxpayers in general and/or the public benefit to be obtained from the project.
